OFFICE OF DIVISION FREIGHT AND PASSENGER AGENT, EL PASO, TEX.

Excellent Train Service.

The present schedule of train service on the Atchison, Topeka and Santa Fe, from El Paso and Deming, is an excellent one.

A fast express connecting with the Southern Pacific leaves El Paso and Deming, early each afternoon, making the run to Rincon, and from Wallace to La Junta, by day light, arriving at Kansas City evening of second day and Chicago morning of third day after departure. This train carries Pullman palace sleepers from El Paso to Kansas City, and Los Angeles, to Chicago, with Pullman tourist sleepers, Los Angeles to Kansas City, making direct connection at La Junta, for Pueblo, Colorado Springs and Denver. And at Burton, for St. Louis via "the Frisco line," which is now a part of the Santa Fe system, an additional Pullman sleeper is attached at Las Vegas, running through without change to Denver via Trinidad and La Junta.

"The Santa Fe route" aims by its fast time, fine equipment and reasonable rates to merit the patronage of the traveling public. For further information address C. H. Morehouse, D. F. & P. A., El Paso, Texas.
